Offensive Linemen Performance Circuit

Created By: Jonathon Janz, MS, CSCS, USAW

The following circuit would be used with offensive linemen seeking to train movements similar to those involved in blocking. This circuit may be used as a supplement to off-season and/or in-season training. Choose a level of sets and reps for that day and complete the circuit in chronological order, starting over if the level you are completing requires 2 or 3 sets.

1. [Squatting and Plate Press](#)

2. [3-Way Front Lunge](#)

Cut reps in half for this exercise

Example:

Level 4 = 2 sets of 6 each way

3. [Med Ball Pass](#)

4. [Squatting Band Row](#)

5. [Lateral Partner Push Lunge](#)

Reps are for each direction

6. [Dual Action Bicep Curls](#)

7. [Thors Hammer](#)

Reps are for each hand

Check one of the following boxes to indicate the level you want to use for each exercise.

Level	Requirement	Check
LEVEL 1	1 SET OF 10	
LEVEL 2	2 SETS OF 8	
LEVEL 3	2 SETS OF 10	
LEVEL 4	2 SETS OF 12	
LEVEL 5	3 SETS OF 6	
LEVEL 6	3 SETS OF 9	
LEVEL 7	3 SETS OF 12
